2 LAM SON INTRODUCES ITS NEW LIGHT ARTWORKS

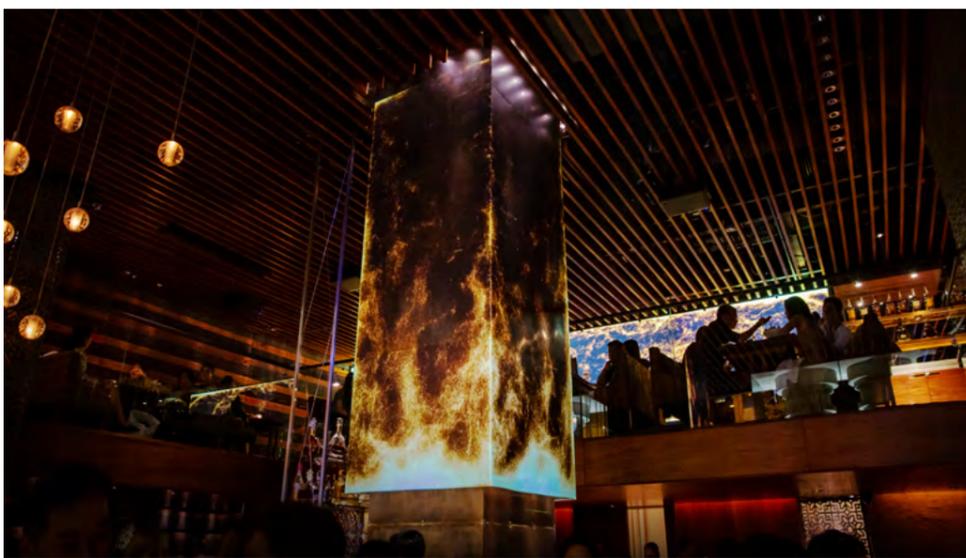

A stylish bar with a Vietnamese vibe and boasting colourful handmade fabrics, 2 Lam Son is one of the city's chic social venues that appeal to those who live and enjoy a modern lifestyle.

For information, please contact giacomo.maroccia@hyatt.com

Acclaimed for its contemporary design and energetic atmosphere that perfectly match the city's impressive views, 2 Lam Son offers a wide selection of international wines, premium spirits, local and imported beers, and an innovative assortment of signature cocktails. Guests enjoy a smoke-free environment with an urban selection of designer music and live DJ performances that specifically enhance the bar's unique and vibrant setting.

As the first bar in Vietnam, 2 Lam Son is thrilled to unveil its newly installed 3D light projection equipment artistically created by the leading Japanese firm LUCENT. LUCENT by Takahiro Matsuo creates emotional light artworks and designs, using diverse technologies and aesthetic expressions. It fuses lights, spaces and people, and allows them to interact with each other. All visual attractions follow the themes "modern", "luxury", "nature", "reality" and "beauty".

The newly fitted lights harmonise perfectly with the existing interior and lighting, producing different scenes with different colour palettes. The main light presentations – Golden Particles, Flower Colours, White Lights and Vietnamese Colours – are inspired by Saigon's culture and landscapes.

HERE'S TO A FRUITFUL NEW YEAR

Vietnam's most significant festival, Tet, is fast approaching, and we believe grandeur should be the theme when giving joyous gifts to your loved ones and business partners for the New Year celebration.

For centuries, pomegranate has played an integral role in Asian culture and mythology. This fruit brings with it an accumulation of colour and symbolism, representing Asian wishes for long life, prosperity, fertility and happiness.

This festive season, discover the refreshing pomegranate pattern on the starlight pearl-finish box of Park Hyatt Saigon's latest Tet hamper, epitomising your best wishes for another exciting journey to come.

Our Tet collection comes in classic version with one dried fruit jar, one cookie jar and one bottle of Lavieille Ferme Red Wine. Available at VND 1,600,000 per box.

For bulk orders, please contact the sales team at +84 28 3520 2351 or sales.saiph@hyatt.com.

The collection will be displayed at Park Lounge for retail purchase.

All prices are subject to 5% service charge and then 10% VAT.
