20 YEARS OF HERITAGE – THE HEART OF SAIGON

Saigon is not a city that reveals itself all at once. It unfolds, layer by layer, like a piece of art painted by countless hands and countless hearts. It is a city alive with contrasts - vintage and modern, graceful and chaotic, traditional and bold. It is a city where the vibrancy of today builds on the rich foundation of its culture. Always moving, always welcoming, Saigon's charm lies in its rhythm of everyday life - the morning rituals of locals savouring their cà phê sữa đá, the vibrant melodies of street performers along Nguyễn Huệ Boulevard, the scent of fresh flowers from the bustling market stalls, the lively buzz of street vendors.

Lam Son Square is Saigon's cultural and geographical epicenter. It is here, in this very heart of Saigon, that Park Hyatt Saigon finds its home. Stepping out of the mansion's doors, you can find yourself surrounded by the essence of Saigon: its artistry, its glory, its warmth. From losing yourself in captivating shows at the Opera House, to taking in panoramic views from the Bitexco Tower, uncovering artistic treasures at the Museum of Fine Arts, and discovering unique finds while shopping on Dong Khoi Street, the city's vibrant soul is yours to experience.

Celebrating 20 years of excellence, Park Hyatt Saigon stands as a cornerstone of luxury in the heart of the city, seamlessly integrating the cultural richness of Saigon with sophisticated modern living. With each passing year, Park Hyatt Saigon reaffirms its place as an iconic landmark, reflecting the dynamic spirit of Saigon while remaining a sanctuary of peace.
